Working wonders with families in our neighbourhoods...

A few years ago, Lauren was hospitalized at 16 years of age after receiving a severe beating from her mother. The violence had been going on for several months, and Lauren was afraid to talk about it. Eventually, her mother faced charges of abuse and Lauren was removed from her family's home. She came to Sancta Maria House looking for a more permanent, safe place to live. Lauren spent that last 2 years here and has made many positive gains. Through the counseling of supportive staff, she was able to let go of the anger from her past and focus on making a bright future for herself. Lauren is grateful for all of the devoted staff at ShareLife-supported Sancta

Maria House for making such a wonderful difference in her life. Last year, ShareLife-supported Family Service agencies provided family counselling to over 5,100 people in the Greater Toronto Area.
